Power required? (Yes or No) ……..If 'yes' you must send £60 with stall fees, see below.
Traders are NOT permitted to bring their own generators-too noisy etc. We can provide power at £30 from FRIDAY for the whole weekend, payable in advance along with stall fees – please indicate above. If power is required, a RETURNABLE deposit of £30 must also be paid for the electrical connections needed to power you up. On return of the equipment to the festival office (our electrician will indicate what has to be returned) you will be reimbursed with the deposit.
Please Note: Health & Safety will NOT allow any fires of any description at all at the front of stalls where the public enter your stall. Please do not have any fires in front of your stall.

We have a limited number of stalls and give priority to local and previous traders. We cannot guarantee a space but we cannot accept any traders without this completed form.
If successful we will notify you of the cost of trading. All payments must be received preferably by return when you are notified if successful, **and at least by the end of August.** We are always heavily oversubscribed and have a waiting list.
Cheques payable to Knockengorroch CIC, or you can telephone with debit/credit card details.

Why not advertise in our full colour festival programme, read and taken home by most of our festival visitors. Prices start at £20. Please email katch@knockengorroch.org.uk for details
